Welcome inside

this fantastic city home

Accessed via a secure telephone-entry system, the flat's front door opens into a central hall that offers an inviting introduction. It provides useful built-in storage and it sets the scene for the following accommodation, which lies in wait behind four-panel wooden doors.

A generous living room with a southeast-facing aspect

Fronted by a trio of southeast-facing sash windows, the living room is a wonderfully sunny reception area with a spacious footprint. It is enhanced by subtle neutral décor and white detailing, which creates a relaxed and welcoming living environment. Smooth cornice work highlights the lofty ceiling, whilst a handsome fireplace provides a focal-point for arranging comfy lounge furniture. The room is finished by a shelved recess for books and display items.

A large well-appointed dining kitchen

The dining kitchen is equally spacious as the living area, ensuring plenty of room for a large table and chairs – perfect for sociable dinner parties with family and friends. It has a well-appointed range of wood-toned cabinets, with easy-to-clean splashbacks and stone-effect worktops adding the finishing touches to the popular design. There is additional built-in storage and it comes with a selection of integrated appliances (oven, gas hob, and fridge/freezer) and an undercounter washing machine.

Two double bedrooms

and a box room

The two double bedrooms both mirror the look of the living room, which enhances a calming and airy ambience, at the same time allowing ample scope for new owners to easily add their own stamp. Both rooms are bright and generously proportioned, offering lots of space for bedside tables, wardrobes, and other furnishings. Furthermore, the principal bedroom (with the twin sash windows) has the advantage of a traditional press cupboard for on-hand storage. Adding to the home's versatility, there is also a box room just off the living area. This could be used as a study, a home office, or even playroom, depending upon your requirements.

A four-piece bathroom with chic décor

Finished with a mix of neutral tiles and chic decoration, the bathroom has a light aesthetic. It is fitted with a white four-piece suite, incorporating a towel radiator, a toilet, a pedestal washbasin, a bath, and a separate shower cubicle. The property has gas central heating for warmth and refurbished traditional sash windows, which allow an abundance of natural light into the home.

A well-kept communal garden

Outside, homeowners have shared use of a large and well-maintained garden, which is enclosed by a stone wall. It features mature trees, and is predominantly laid to lawn, including a communal drying green. Furthermore, residents have access to controlled permit parking (Zone 5), ensuring they have a space to park – an essential feature in the city centre.

Extras: all fitted floor and window coverings, light fittings, integrated kitchen appliances, a washing machine, the beds, wardrobes, chest of drawers, sofas, and kitchen table and chairs to be included in the sale. Additional furnishings are also available. Please note, no warranties or guarantees shall be provided in relation to any of the moveables and/or appliances included in the price, as these items are to be left in a sold as seen condition.
